

# WHAT IS **FIRST** ?

FIRST is an international non-profit that empowers youth of all ages to build STEAM skills and inspire innovation through robotics challenges.

## PROGRAMS OFFERED:

**FIRST Lego League** (ages 4-16) students use LEGO SPIKE kits to build and program robots and other animatronic creations

**FIRST Tech Challenge** (ages 12-18) students build and program compact robots to complete complex challenges

**FIRST Robotics Competition** (ages 14-18) students build and program 120lb robots to compete with an alliance at tournaments

**FIND A TEAM TO JOIN  
OR MENTOR!**
